Re: Removing and resetting 1100 linear feet of fencing

PROPOSAL

We propose to furnish supervision, labor, and material for the removal and the resetting of 1100 linear feet of black coated 4-foot-high chain-link fencing.

Scope of work

The existing fence would be and stored for reinstallation.

New posts would be supplied and installed, and the stored fencing would be reinstalled at the location required.

Any miscellaneous parts, including clips, screws, ties with it would be supplied as part of this contract

Price \$27,800.00

Terms: Mobilization \$9250.00
Balance upon completion
